Taking Care

*I love taking care of my pets.
I love taking care of my family.
I love taking care of them all.
I'm happy that there are so many!*

*I love taking care of my pets.
I love to pick them up, and hug them, too.
But before I get to play with my pets,
I have some work to do.*

*I have to comb my cat, feed my dog,
protect my bird, and pick up my frog.
I have to wash my goat, brush my horse,
And I can't forget to bathe my snake, of course.*

CHORUS

*I love taking care of my family.
I love to hug them, too.
But before I get to play with my family,
I have some work to do.*

*I have to read to my sister,
take care of my brothers,
and hold hands with my grandmother.
I have to teach my brothers their 1, 2, 3's
and carry my family's new baby.*

*I love taking care of my pets.
I love taking care of my family.
After all my work is done,
I get to have some fun with my...
cat and dog, bird and frog,
goat and horse, and my snake, of course!
My sisters and my brothers, my grandmother,
and even my family's new baby!*
